The T&F Committee reserves the right to adjust dates and change venues as the need arises. There will be systems in place to ensure venue readiness, player safety, equipment security, enforcing highest Codes of Conduct and consistent Umpiring and Refereeing protocols. Draw procedures will be clearly outlined and may be virtual with limited persons present as current pandemic protocols may require. A Tournament Report will be circulated soon after the end of the tournament. Updated Ranking lists will be available a maximum two days after the tournament ends. IN THE EVENT THE NRC IS NOT AVAILABLE, ADJUSTMENTS WILL BE DONE TO EITHER USE ANOTHER VENUE OR VENUES AND IT WILL BE CONSIDERED TO DO ZONAL QUALIFICATIONS THEN HAVE FINALISTS MEET FOR A FINAL DAY.

The proposed structure of National tournaments will be guided by the current pandemic protocols. Scheduling will be done with carded matches beginning at specified times.
